Sent: Tue 5/2/2017 7:34:25 PM
Subject: directions for OWC on redirects specifically

1. Subject line: "Request for redirects"
2. Send it to the WCSD Webteam, WCSD_Webteam@epa.gov
3. Redirects are always a pair, include both FROM and TO URLs. Example:

FROM: <https://www.epa.gov/airmarkets/analysis-clean-power-plan>

TO: <https://www.epa.gov/sites/production/files/signpost/cc.html>

• If it is a wildcard redirect (many pages/whole web area) to one page, example:

FROM: https://www.epa.gov/climatechange*

TO: <https://www.epa.gov/sites/production/files/signpost/cc.html>
4. www.epa.gov redirects require time to clear the cache at Akamai. Sometimes these take 30-40 minutes to complete.

Steps #3 (wildcard) and 4 require elevated permissions and may take longer, up to 2 hours, to complete.

Thanks
Susan Fagan
